Demonstrations in Central Surabaya

The U.S. Consulate has received reports that thousands of labor and public transportation drivers are expected to hold a demonstration in Central Surabaya today. Protestors are expected to gather in the vicinity of the Grahadi Office (the Governor's official residence) on Jalan Gubernur Suryo. Demonstrations may also continue during the weekend.

The U.S. Consulate would like to remind all U.S. citizens that even demonstrations intended to be peaceful can turn confrontational and escalate into violence. Avoid areas where demonstrations are taking place and exercise caution when in the vicinity of any large gatherings, protests, or demonstrations.
